

A close-up photograph of a green and black patterned snake, possibly a grass snake, with its mouth wide open. The snake is resting on dark, rich soil. In the foreground, there are several small, succulent-like plants with fleshy leaves. The background is softly blurred, showing more greenery and a bright, sunny atmosphere. A white rectangular box is overlaid on the right side of the image, containing the text "Bin im Garten" in a green, serif font.

Bin im Garten
